Weekend in the US

Bonne Terre Mine, is in Bridgeton Missouri

Diving: Every Weekend year-round

This unique adventure, can be your "Dive to the Center of the Earth". Bonne Terre Mine, a national historic site, is the world's largest fresh water dive resort. Water conditions remain constant with over 100 foot visibility, Sights include: mammoth architecture, guaranteed year round diving conditions.

Cal falls, oar carts, scaffolding, grating, staircases, pillars, slurry pipes, the famed elevator shaft, and much more. Bonne Terre Mine is without a doubt one of the most unusual, beautiful, and relaxing full service dive resorts anywhere. Your accommodations located in the rolling foot hills of the Ozark

mountains are elegant at the nearby 1909 Depot, or if you prefer a more

Walking Tour

Take a one hour guided walking tour through the first and second levels of the mine along the "Old Mule Trail", showing where miners dug with a pick and shovel in the 1800's. The earliest shaft was dug in 1864. Along this tour, you will see Huge Pillar Rooms, Grand Canyon, Billion Gallon Lake, Trout Pond, Underground Flower Gardens, Beautiful Calcite Falls, and ancient Abandoned Mining Tools and Rail Systems.
